Elite Traveler CRO, NA Greg Licciardi welcomed guests to the three-level yacht alongside Jennifer Saia of event co-host B&B Yacht Charters. A guitarist performed live music on the sun deck while guests enjoyed hors d'oeuvres as well as gourmet chocolates by Viveré. Sponsor USVI Economic Development Authority shared updates and information on the territory, with assistant CEO/COO Wayne Biggs educating guests on the unique tax benefits and financial incentive packages of the USVI.

Throughout the evening, exclusive watch sponsor Panerai displayed the Luminor Due Collection in vitrines, featuring the 40-percent thinner watches available in limited-edition steel, titanium and rose gold. Guests also had the opportunity to try on the luxury timepieces with brand experts on site to field inquiries.

As the exclusive spirits partner of the event, Hennessy led a guided tasting of Paradis Impérial, an expression created by former master blender Yann Fillioux in 2011, resulting from the contributions of seven generations of master blenders. Showcasing the ornate decanter, Hennessy took guests through the ultra-precise process of selecting the 10 out of 10,000 eaux-de-vie used in the blend. After sunset, those in attendance toasted to the evening with stemmed crystal glasses of the luxury cognac.
