**About the Virgin Islands Economic Development Authority:**

The U.S. Virgin Islands Economic Development Authority (USVIEDA) is a semi-autonomous governmental instrumentality. It promotes economic growth, job creation, and wealth generation in the U.S. Virgin Islands. The USVIEDA assumes, integrates and unifies the functions of these four entities: Economic Development Commission, Virgin Islands Economic Development Park Corporation, Economic Development Bank and the Enterprise Zone Commission. The USVIEDA accomplishes its mission by attracting investors to the Territory to establish or relocate their business in the U.S. Virgin Islands. It also provides financial assistance for new and existing small to medium-sized businesses in the Territory and assists V.I. residents and business owners with rehabilitating their properties located in distressed areas that were once vibrant economic centers of activity in the Territory. Learn more about the USVIEDA at [www.usvieda.org](http://www.usvieda.org) or send an email to [info@usvieda.org](mailto:info@usvieda.org).
